Please indicate if Mother is alive: _____

Many communities hold the tradition of not completing the word, "Kenina" until the actual signing of the Ketubah. Different communities accomplish this in various ways. The most standard procedure is not to include the "regel," (leg) of the letter "Kuf." Please raise this matter with your officiating Rabbi. If the scribe does not receive specific instruction, then the letter "kuf" will not be completed.

Comments

Thank you very much for your time and Mazal Tov to you,

Jamie Shear
